Products and Services

Products and Services

Services Introduction

Business Services

We serve SMEs in China and abroad. Our services include company registration, address hosting, bookkeeping, tax filing, and administrative approvals. We have served over 20,000 enterprises nationwide, with branches in Shenzhen, Hong Kong, Haikou, Quanzhou, and Guangzhou. Our team includes 50+ professional accountants, including 1 CPA and 8 senior accountants, all certified.

Tax Planning

Aims to integrate finance, tax, and legal services for closer collaboration between professionals and business needs, improving project efficiency and delivering more precise, rational solutions. This unit operates on an expert + consultant model, where fixed professionals partner with senior experts on a per-project basis.

Premium Financial & Tax

Financial outsourcing for existing clients only. We optimize processes, ensure compliance, provide data analysis, and deliver strategic advice to maximize your business value.

International Business

A dedicated team serving entrepreneurs with overseas needs. We provide localized corporate services for expatriates, including company registration, bank account opening, business agency services, address services, bookkeeping, tax filing, intellectual property, and work visas.
